EXPLANATION OF RELEVANCE

References AA and AC were identified and discussed at pages 1 and 2 of the present Specification, and Applicants stand by the statements in this specification concerning the teachings of those references.

The remaining references were cited in a search report rendered by the Swedish Patent Office during the examination of the counterpart's Swedish application. A copy of the Swedish search report is submitted herewith.

Copies of each of the above references together with Form 1449 are submitted herewith.

Translations of the non-English language references are not readily available to the applicants, however, each of those non-English language references has an English abstract attached thereto.

As of the date of mailing of this Information Disclosure Statement, a first Office Action on the merits has not been received in connection with this application. This Information Disclosure Statement is therefore in compliance with 37 C.F.R. § 1.97(b)(3), and no fee is necessary.

All claims of the application are submitted to be patentable over the teachings of the above-references, taken singly or in combination. Early consideration of the application is therefore respectfully requested.

Submitted by,
